**Presentation Synopsis:**

**Latest Trends and Challenges in Organising and Evaluating Co-curricular/ Life-wide Learning Activities in Secondary School Education in the Context of HKMA K S Lo College**

The purpose of this presentation is to share an ordinary government-subsidized secondary school’s experience of implementing the New Senior Secondary (3+3+4) curriculum in order to shed light on the following challenges in the organization and evaluation of co-curricular activities/ life-wide learning activities:

1. Managing human, time and material resources
2. Working together across professional boundaries
3. Aligning the co-curricular activities with the academic curriculum
4. Ensuring quality of activities
5. Developing an effective evaluation model
