# Deciphering Chinese School Leadership

Conceptualisation, Context and Complexities

**Allan Walker**, The Education University of Hong Kong, Hong Kong and **Haiyan Qian**, The Education University of Hong Kong, Hong Kong

*Series: Routledge Series on Schools and Schooling in Asia*

With existing educational leadership models and theories being predominantly western influenced, this book aims to provide more insight into school leadership in China. It pioneers building research- and practice-informed knowledge and unravels the complexities that characterize the scholarship, context and practices of school leadership. This text will be particularly useful to international education researchers with focus on educational leadership, comparative education, education policy and education in China.
