中文短篇文章：

相機先食雞蛋仔

作為香港獨有的街頭小吃之一——雞蛋仔，有其獨特魅力。金黃色的外表下，外酥裡嫩的口感，一口下去，Q 彈軟糯，回味無窮。一排排緊密相連的蜂巢外形，不禁讓我聯想到團結奮進，諸事圓滿的美好寓意。

A short article in English：

Taking a Foodporn Picture of Egg Waffle

As one of the unique street snacks in Hong Kong, egg waffle has its unique charm. Under the golden appearance, it tastes crisp outside and tenders inside. In one bite, Q plays soft and waxy, with endless aftertaste. Rows of closely connected honeycomb shapes can't help but remind me of the beautiful implication of unity, progress, and perfection.
