

Senior Research Assistant (Ref: 2400410)
Department of Special Education and Counselling

[Appointment Period: 12 months]

The appointee will be responsible for providing assistance and support to the Department in research-related events, departmental research projects and the coordination of e-learning activities. The appointment will be for a period of 12 months.

Applicants should have a Master's Degree plus at least one-year post-qualification working experience or a doctoral degree, preferably in educational/cognitive psychology, neuroscience, counselling or other closely relevant areas. Expertise and experience in adults and children with/without special educational needs and good research track record are highly desirable. They should have the abilities and willingness to support colleagues in the Department in developing and running research studies, and in producing research outputs. They should also have highly developed communication and writing skills in English, good interpersonal skills and the ability to work as a good team member.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **14 May 2024**.
