Course Title	:	**Enriching English-learning Environments in Hong Kong Schools** 改善香港學校英文學習環境
Course Code	**:**	**CSL1027**
Department	**:**	**Curriculum and Instruction**

Synopsis

This course equips students with the rationale about enriching English-learning environments in primary schools and secondary schools in Hong Kong and provides students with the skills and strategies of enriching English-learning environments. Students will be given the opportunity to apply these knowledge and skills to organize and lead extracurricular programmes in schools to enrich their English-learning environments.
