Public Seminar Series

Climate Change and the Greening of Jobs in Hong Kong

Time: 3:00 - 4:30 pm
Date: Friday 9 May 2014
Venue: D3-LP-07 (HKIEd)

Keynote Speaker:
Dr William Yu
CEO
World Green Organisation

Dr William Yu is the Founder and Chief Executive Officer of the World Green Organisation (WGO). Dr Yu is an energy economist and climate professional by training and completed his PhD at the University of Cambridge in the United Kingdom as well as earning an Executive MBA from the Thunderbird School of Global Management in the U.S. Currently Dr Yu sits on the Energy Advisory Committee and the sub-committee on Food Reduction Good Practices in Institutions and Commercial and Industrial Establishments, and the Food Wise Hong Kong Campaign under the Environmental Bureau. He also sits on the Project Management Committee to oversee the CarbonSmart Program in collaboration with four key Chambers of Commerce. Dr Yu is a member of the Task Force: Adaptation and Resilience of Built Environment against Climate Change, and the Policy and Research Committee under the Hong Kong Green Building Council. He is also a member of the expert panel on Industry Standards and Research under the same Council. Dr. Yu is currently Adjunct Professor at City University of Hong Kong and Honorary Corporate Adjunct Professor for the MBA program at Shanghai University.
