Dr. Guri SKEDSMO

University of Teacher Education Central Switzerland Zug, Switzerland

Email: guri.skedsmo@phz.ch

Dr. Guri Skedsmo is an International Research Fellow at the Institute for the Management and Economics of Education, University of Teacher Education Central Switzerland and a Post Doc at the Department of Teacher Education and School Research at the University of Oslo in Norway. Her current research focuses on the use of performance data in Norwegian schools and municipalities to inform and monitor quality development and she participates in the EU project ISI-TL which investigates the impact of school inspections on teaching and learning. Moreover, she is involved in research projects, such as the evaluation and development of school leadership training in four German states, as well as governing and organisation issues related to continuous professional development for teachers and school leaders.
