Email: christopher.binge@gmail.com

I was born and grew up in England, educated at Cambridge University (MA in Mathematics) and the Institute of Education, London (PGCE Maths Education). In 1984 I moved to Singapore and taught at UWCSEA. I have been in International Education ever since with 13 years as Secondary Principal at The International School of Geneva, Switzerland, and now as Principal of Island School in Hong Kong. I have worked closely with the International Baccalaureate Organisation, where I chaired the Diploma Programme Committee for 4 years. I have led workshops and presented at various IB and other conferences.
