Leadership and Learning in Asia Pacific: Challenges for Research and Practice

Ms. Trang Nguyen MORE

Institute for Research on Educational Development (IRED), Vietnam

Email: mn.trang@ired.edu.vn

Ms. Trang leads the development department at the Institute for Research on Educational Development (IRED). She oversees outreaching, fundraising activities, organizes international education events, and coordinates research projects. Ms. Trang has also served as the International Relations Director of the PACE Institute of Leadership and Management (PACE) for more than six years, responsible for developing PACE's partnerships with international academic institutions, as well as internationally renowned scholars. In addition to international experiences in program development and management, her interests lay with school reform and teacher quality, including her work with a team to design a monitoring and evaluation system for measuring the quality of public elementary schools in Mexico. Ms. Trang holds a B.A. degree in English Linguistics and Literature from the University of Social Sciences and Humanities of Ho Chi Minh City National University, and a Master's degree in International Education Policy from Harvard University.
