

Dr SZETO Sing Ying, Elson

The Hong Kong Institute of Education, Hong Kong

Email: eszeto@ied.edu.hk

Elson is Assistant Professor of Department of Education Policy and Leadership. He has contributed to international research communities with a focus on educational leadership and higher education teaching and learning. Currently, he works with researchers from over 20 countries in International School Leadership Development Network (ISLDN). This is an international research network sponsored by the University Council for Education Administration and the British Educational Leadership, Management and Administration Society.
