

AS&A LEADERSHIP ROUNDTABLE 2017

亞太領導圓桌會議二零一七

Dr Liou Yi-Hwa

National Taipei University of Education

Taiwan

E. yhliou@tea.ntue.edu.tw

Yi-Hwa Liou is an Assistant Professor of the Department of Educational Management at the National Taipei University of Education. Her research interests primary focus on bringing the network research method to the world of organizational dynamics and learning, leadership and development, and data-informed decisions, to understand several complex areas of organization-level research. She has published her work in various peer-reviewed journals and has been leading multiple projects on systemic change across all levels of education. Particularly, Yi-Hwa is currently conducting a longitudinal study of social network change in a districtwide leadership team and its alignment effort around improvement.
