## Dr Hairon Salleh

National Institute of Education

E. hairon.salleh@nie.edu.sg

Dr Salleh Hairon is Assistant Dean, Doctor in Education, Graduate Studies and Professional Learning, and Assistant Professor, Policy and Leadership Studies Academic Group, at the National Institute of Education, Nanyang Technological University, Singapore. His research interests center on school leadership for teacher learning in communities comprising distributed leadership, teacher leadership, professional learning communities, teacher professional development and action research. He has recently completed a funded research entitled, “Leadership for Collective Learning: A Distributed Perspective”. His recent publications include “Pursuing the Elusive Construct of Distributed Leadership: Is the Search Over?” in *EMAL*, and “Teacher Leadership Enactment in PLCs: Towards a Better Understanding of the Phenomenon” in *SLM*. He will be embarking on a funded research entitled, “Effectiveness of Teacher Leaders in Singapore Schools: Context, Construct and Causality”.
