Prof. Chen Pei-Ying

National Taiwan Normal University

E. pychen@ntnu.edu.tw

Peiying Chen is the Professor in Graduate Institute of Policy & Administration at National Taiwan Normal University (NTNU). She specializes in research on school improvement, school leadership, PLCs & NLCs, and gender & education. Her work has been published in *School Effectiveness and School Improvement*, *Educational Review*, *School Leadership and Management*, *Asia Pacific Journal of Education*, *Compare*, and domestic journals. She is currently leading the national school improvement programme called School Actualization Programme (SAP). She is also the main developer of PLCs and NLCs workshops for building school leaders and teachers' capacity for change.
