Seeking Common Ground: Connecting Chinese and International School Leadership
求同存異: 聯結中國與世界的學校領導研究與實踐

Prof Guri Skedsmo

Schwyz University
of Teacher Education
SWITZERLAND
and
University of Oslo
NORWAY

E. guri.skedsmo@phsz.ch

Prof Dr Guri Skedsmo is Head of Institute for Research on Professions and Professional Learning (IPP), Schwyz University of Teacher Education in Switzerland and Associate Professor at the Department of Teacher Education and School Research, University of Oslo in Norway. Her main research interests are in the areas of educational governance and leadership, school development and change as well as professional development of school leaders. Currently, she is leading a research project on multi-professional collaboration to retain students in secondary education in Norway and a comparative study (Switzerland and Malaysia) on principals' health promotion in schools in times of Covid-19. She is also involved in comparative research on teachers' decision making processes and use of knowledge sources to develop their own teaching, and she is Editor-in-Chief for the journal *Educational Assessment, Evaluation and Accountability (EAEA)*.
