Prof. Chen Wen-Yan Oscar

National Chi Nan University

Email: wychen@ncnu.edu.tw

Wen-Yan Oscar Chen is a Professor at the Institute of Educational Administration and Evaluation, University of Taipei, Taiwan. His research focuses on educational leadership, educational evaluation, and school improvement. Over the years, he has actively contributed to various educational initiatives, serving as a consultant, reviewer, evaluator, and supervisor at both central and local government levels. He has led more than a dozen government-funded research projects, exploring key topics such as teacher leadership, middle leadership, leadership for learning, and collaborative governance. His scholarly work has been widely published in esteemed academic journals in Taiwan, as well as in leading international outlets in the field of educational leadership, including Educational Management Administration & Leadership and the Journal of Educational Administration.
