Prof. Hu Yaozong

East China Normal University

Email: yzhu@dem.ecnu.edu.cn

Prof. Yaozong Hu is a Professor and Doctoral Supervisor at the Department of Educational Administration, East China Normal University (ECNU). He serves as the Director of the Educational Economics Institute and Chair of the Department of Educational Administration. His research focuses on education finance policy, educational planning, and school performance management, with expertise in areas such as education funding allocation, teacher compensation systems, and higher education strategy.

A standing committee member of both the Chinese Educational Economics Society and the Chinese Educational Management Society, Prof. Hu is also a researcher at the National Institute of Educational Policy Research at ECNU. He has led multiple national and provincial research projects, contributing to policy development in China's education sector.
