Prof. Stephan Huber

University of Teacher Education Zug

Email: steph@nhuber.com

Stephan Gerhard Huber, Prof. Dr. M.Phil. (Cantab), holds the Chair of Excellence for Leadership, Quality Management and Innovation, Department for Educational Research at the Linz School of Education, Johannes Kepler University Linz (Austria). He also is Senior Research Fellow at Hong Kong Institute of Education, and Adjunct Professor at Institute for Education Research Griffith University Brisbane. He held guest professorships at universities in India, Austria, Switzerland and Cyprus, is member of the academic advisory boards of different national and international associations and institutions, is editor-in-chief of EAEA and member of the editorial board of several journals. His areas of interest are organisation and system change, education management, school effectiveness, school improvement, professionalisation of teachers and school leaders. He conducts qualitative, quantitative, mixed-methods, international comparative research. For around 20 years, he has hosted and chaired the World Education Leadership Symposium (WELS.EduLead.net) with around 850 participants from 75 countries. He launched the School Barometer, which assesses the current situation of schools at regular intervals in Germany, Austria and Switzerland and thus contributes to the exchange of experience and know-how (www.School-Barometer.net).
