

GERMAN WORKSHOPS

German Beginner Level 1

This workshop is designed for complete beginners in German. Basic grammatical features and German pronunciation will be explained and practiced in depth. To help develop your fluency, the workshop will also focus on speaking and listening, reading and writing skills. You will have plenty of opportunities to practice the target language through class activities.

German Beginner Level 2

This workshop is designed for students who have already taken the German Beginner 1 workshop and have a basic understanding of simple phrases and grammar structures. In this workshop, you can widen your skills in the German language through class activities.
