

IELTS PREPARATION WORKSHOPS

This series of 10 X 2-hour workshops will familiarize students with the Listening, Reading, Writing & Speaking sections that make up the Academic Module of IELTS. The workshops will present test-taking strategies specific to IELTS and give students opportunities to practice those strategies as well as receive feedback from the teacher. Advice will also be given about long-term language improvement with a view to obtaining better scores. While all skills are covered, the main focus will be on Writing and Speaking. (Notes: If you join this ongoing workshop, you don't need to join the 1-hour IELTS workshops as the content is similar.)
