

Research Assistant I (Ref: RAI/PS/1220b)
Department of Psychology

The appointee is expected to participate in a teaching development project on promoting pre-service teachers' psychological competence. He/she will be involved in all stages of the research process. The appointee is expected to assist team leaders in conducting literature review, preparing teaching/research materials, liaising with website developer, data collection, data management and analysis, report writing, coordination and administrative work of project, and other duties as assigned. The appointment will be for a period of 6 months, with the possibility of renewal.

Applicant should possess a Bachelor's degree in Psychology, Education or related discipline in social sciences. They should have excellent written and spoken skills in both English and Chinese (including Cantonese), good communication skills, and familiar with website design and development. Knowledge of and experience in online learning and teaching, especially in information and communication technologies for teaching, will be a definite advantage. He/she should be organized, self-motivated, independent, and committed to advance teaching and research.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.
