

Research Assistant I (Ref: 2100477)
Integrated Centre for Wellbeing

The appointee will be responsible for working within several research projects. His/her duties include, but are not limited to, providing research support to the Principal Investigator and research team, conducting literature review, scheduling participants, collecting data by using EEG scanning, eye-tracker and/or other tools, data analysis, writing report draft, project coordination, and to perform any other related duties as assigned. The appointment will be for a period of 12 months with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor's Degree in Psychology, Data Science or any related discipline is preferred. Experience or qualifications in working with SEN children is an advantage. Preference will be given to applicants who have at least 1 year' working experience. He/she should have the abilities and willingness to support colleagues in the Centre in developing and running research studies, and in producing research outputs. He/she should have a strong proficiency in both written and spoken both English and Chinese (including Cantonese). Great communication, computer and assessment tools' capability, independence, multi-tasking and attention to detail are essential.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **3 November 2021**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
