

**Research Assistant I (Two posts) (Ref: 2200162)**  
**Department of Science and Environmental Studies and Department of Mathematics and Information Technology**

**Project Title:**

- 1. Self-paced Response-adaptive Instructional Design for Non-face-to-face Learning and Teaching with Hands-on Components**
- 2. UGC Special Grant for Strategic Development of Virtual Teaching and Learning**

**[Appointment Period: 12 months]**

The appointees will participate in a teaching development project aims to explore alternative modes of conducting science experiments with students through online course delivery. They will assist the Project Leaders and course instructors who participated in the project to explore the application of various technologies such as virtual reality (VR), augmented reality (AR), scientific simulation platforms and other video making and editing techniques in converting science experiments into interactive online modules. The initial appointment will be for a period of about 12 months.

Applicants should have a Bachelor's Degree, preferably in Creative Media, Information Technology, Science, Mathematics, Engineering or related disciplines, with at least one year of working experience, and good command in both written and spoken English. Knowledge, skills and experiences in video making and editing are essential. They should also be good team player, attentive to details, highly self-motivated and able to work under pressure.

For further enquiries about the posts, please contact Dr Yeung Chi Ho Bill at [chyeung@eduhk.hk](mailto:chyeung@eduhk.hk).

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 28 February 2022, and will continue until the posts are filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
