

Computer Officer / Assistant Computer Officer (Ref: 2200569) Office of the Chief Information Officer

The Office of the Chief Information Officer (OCIO) has a vision to be a world-class provider of information and communications technology services and solutions to support and enhance teaching, learning, research and administration of the University.

The OCIO provides quality services to support all central information systems in support of teaching, learning, research and administration. It places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the vacancy of Computer Officer / Assistant Computer Officer.

The appointee(s) will be assigned to the application development team and be responsible for user requirements gathering, system design, development, implementation, testing, documentation and maintenance of the Student Information System.

Applicants for the post of Computer Officer should have a recognized degree in Information Technology or related discipline with preferably five years of relevant full-time post-qualification working experience gained in a sizeable IT environment. Those with less but preferably three years of working experience may be considered for the post of Assistant Computer Officer.

Applicants should have solid experience and knowledge in web application development with backend technology (including Java/J2EE, Spring Boot running on JBOSS EAP, SQL, PL/SQL), frontend technology (including VueJS, ReactJS, jQuery, Ajax, HTML5) and responsive UI tools (including Google Material Design, Bootstrap). Prior experience in ERP application (student information system) and RPA will be an advantage. They should be proficient in English and Chinese; able to handle multiple tasks simultaneously, work proactively and independently. They should also have good problem-solving, analytical and interpersonal skills and be a good team player.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **12 July 2022**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
