

Research Assistant I (Ref: 2200749)
Department of Social Sciences

Project title: Establishing Impact Case: Pandemic and epidemic surveillance and risk assessments

[Appointment Period: 12 months]

The appointee will be responsible for providing both research and administrative support to the captioned project. The appointee will handle data collection, statistical calculations and analysis. The appointee will also be involved in the methodological development of the risk assessment framework and assist in writing research papers. The appointment will be for a period of 12 months, with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor's Degree in Statistics, Risk Management, Epidemiology and Biostatistics or a related field. Preference will be given to applicants who possess a Master's Degree in the above-mentioned disciplines or more than one year of research experience. The ideal candidate should be strong in statistical computing, Bayesian analysis and programming. Proficiency in R and Python will be an advantage. Applicants should have a good command of both spoken and written English and Chinese. He/she should also be highly self-motivated, detail-minded, and able to work independently. Immediate availability is preferred.

For further enquiries about the post, please contact Dr Amanda Chu at amandachu@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 15 August 2022, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
