Computer Officer / Assistant Computer Officer (Management Information Systems)
(Performing the role of System Analyst / Analyst Programmer) (Ref: 2200768)
Office of the Chief Information Officer

The Office of the Chief Information Officer (OCIO) has a vision to be a world-class provider of information and communications technology services and solutions to support and enhance teaching, learning, research and administration of the University.

The OCIO provides quality services to support all central information systems in support of teaching, learning, research and administration and places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the post.

The appointee will be assigned to the Management Information Systems Team and will undertake the Java Developer's role of system analyst or analyst programmer, based on his/her working experience. He/She will be responsible for developing and maintaining a suite of information systems/apps. The appointment will be for a period of 2 years with the possibility of renewal subject to mutual agreement.

Applicants for the post of Computer Officer should have a recognized Bachelor's degree in Information Technology or related disciplines with preferably five years of relevant full-time post-qualification working experience gained in a sizeable IT environment. Those with less but preferably three years of working experience may be considered for the post of Assistant Computer Officer.

Applicants should have solid experience and knowledge in application development with Java (J2EE, Servlet, JSF, JPA, JBOSS), RDBMS (Oracle, MSSQL), web technologies (jQuery, Ajax, HTML5, PrimeFaces), data analysis / business intelligence (OLAP, SQL Server Analytics, MDX), and mobile app development (Native, Hybrid). Good problem-solving, analytical and interpersonal skills, ability in handling multiple tasks simultaneously; working proactively and independently and being a good team player are also expected. Prior working experience in tertiary institutions will be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **18 August 2022**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en..

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at *http://www.eduhk.hk*.
