

Project Officer / Project Assistant (Ref: 2200960)
Department of Mathematics and Information Technology

The appointee will be responsible for supporting the project entitled “Infuse STEM/STEAM elements into Mathematics and Information Technology Courses”. He/she will assist in developing teaching and learning materials in AI and Robotics, and performing any other duties as assigned by the project leader. The appointment will be for a period of 12 months with the possibility of renewal subject to mutual agreement.

Applicants should have a Bachelor's Degree in Computer Science, Computer/Electronic Engineering, Educational Technologies or other related areas with several years of post-qualification full-time working experience. A Master's Degree or above in AI and Robotics is highly desirable. They should have good knowledge of Robotics, Computer Vision, Natural Language Processing, Machine Learning and AI in general. Excellent ability to communicate in both English and Chinese is required. The knowledge in education-related areas will be an advantage. Applicants with less experience will be considered for the post of Project Assistant.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 14 October 2022, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
