

Research Assistant I (Ref: 2200893)
Department of Psychology

Project Title: Flourishing Online and Offline: A Neurobehavioral Perspective of Personal and Interpersonal Wellbeing in the Cyberage

[Appointment Period: 5 months]

The appointee will be involved in online social network behaviours and sleep related research related to neuropsychology. He/She will assist the principal investigator to oversee the projects, including data collection using various techniques such as polysomnography, neuroimaging, and behavioural experiments, data processing, conducting literature review, preparation of project reports, administrative duties and any other duties as assigned by supervisors. The appointment will be for a period of 5 months.

The Applicants should have a recognized bachelor's degree or above in psychology or related disciplines, good interpersonal and communication skills, and strong work ethics. They should be highly proficient in both English and Chinese and literate in computer applications including MS Office and SPSS. Experience with computer programming and statistical analysis software packages such as R, Matlab and EEG software is preferred but not required. Relevant experience in sleep research will be an advantage.

For further enquiries about the post, please contact Dr Lau Esther Yuet Ying at laueyy@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **11 October 2022**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
