

**Lecturer I/II (Ref: 2201202)**  
**Department of Mathematics and Information Technology**  
**Faculty of Liberal Arts and Social Sciences**

The Department is now seeking an enthusiastic, qualified and highly dedicated person to take part in a number of teaching and learning activities in artificial intelligence and educational technology. The appointee is expected to teach undergraduate and postgraduate courses, supervise student projects and field experiences, and undertake administrative duties as assigned.

Applicants should have a Master's Degree in Computer Science, Information Technology, Data Science or a related discipline, plus a minimum of 4 years' relevant post-qualification teaching experience. Applicants who have less relevant post-qualification teaching experience may be considered for the post of Lecturer II.

Applicants should possess a relevant professional teaching certificate, i.e., qualification of Qualified Teacher Status (QTS) recognized by the Education Bureau of Hong Kong or other equivalent qualification. Proven evidence of quality teaching and a successful record of STEM related experience at primary/secondary and/or tertiary level are required. Applicants who are creative team players with strong communication skills and excellent command of Chinese and English are preferred.
