

Research Assistant I (Ref: 2300025)
Department of Psychology

Project Title: Effectiveness of Mindfulness-based Intervention in Reducing Stigma Stress among Parents of Children with Autism Spectrum Disorder: A Randomized Controlled Trial

[Appointment Period: Around 11 months]

The appointee will be involved in a series of research projects in the area of mental health. He/she will provide support to the project team members in planning, conducting, and coordinating the project activities. He/she will conduct literature review, data collection, data entry, data management and analysis, report and manuscript writing, and liaison with collaborators and organizations. The deliverables of the projects may include teaching and learning package, intervention programs, training workshops, seminars, and publications. The initial appointment will be for a period of around 11 months up to 31 December 2023 with the possibility of renewal subject to mutual agreement.

The Applicants should have a Bachelor's degree in Psychology or a related discipline; interest in conducting research projects related to mental health; good communication, presentation, and interpersonal skills in both written and spoken English and Chinese (Cantonese); strong administrative and management skills; research knowledge and skills in using SPSS; enthusiasm, self-motivation, and the ability to work independently and under pressure; and strong commitment to creating social change through high quality projects.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 25 January 2023, and will continue until the posts are filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
