

Assistant Computer Officer / Programmer I (Performing the role of Java Developer)
(Ref: 2300065)
Office of the Chief Information Officer

The Office of the Chief Information Officer (<https://www.eduhk.hk/ocio>) provides quality services to support all central information systems in support of teaching, learning, research and administration and places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the post.

The appointee will be assigned to the Management Information Systems Team and will undertake the Java Developer's role, including user requirements gathering, system design, development, implementation, testing, documentation and maintenance of a suite of information systems/apps. The appointment will be for a period of 2 years with the possibility of renewal subject to mutual agreement.

Applicants for the post of Assistant Computer Officer should have a Bachelor's Degree in Information Technology or related disciplines with preferably three years of relevant full-time post-qualification working experience of Java Developer or equivalent gained in a sizeable IT environment.

Fresh graduates with good potential or those having an associate degree or a higher diploma in Information Technology or related disciplines with at least two years of working experience may be considered for the post of Programmer I.

Working experience with Java, Oracle and JBOSS, data analysis, and/or mobile application development will be advantageous. Good problem-solving, analytical and interpersonal skills, ability in handling multiple tasks simultaneously, working proactively and independently and being a good team player are also expected.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **2 February 2023**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
