The Education University
of Hong Kong

Senior Research Assistant (Ref: 2300083)
Centre for Learning, Teaching and Technology

Project Title: Designing and Evaluating an Artificial Intelligence Literacy Programme for University and Secondary School Students
[Appointment Period: 24 months]

The appointee will be responsible for providing research support for a large-scale artificial intelligence (AI) literacy project. Duties include conducting literature review on AI literacy, developing and validating research instruments; conducting quantitative and qualitative data analysis; writing academic papers and reports on AI literacy; reviewing the learning and teaching resources on AI literacy developed by the project team; as well as performing other duties assigned by the project principal investigator. The appointment will be for a period of 24 months.

Applicants should have a Master's Degree, preferably in Psychology, Education, Artificial Intelligence and/or related disciplines, plus one-year post Master's degree full-time working experience. Applicants who have a Doctoral Degree can apply for the post of Post-doctoral Fellow (Ref: 2300078). Applicants should also have an excellent command of written English and Chinese, proficiency in spoken Cantonese, high capability of conducting statistical analysis and writing academic papers and reports independently. A sound background in statistics and experience in using statistical packages such as SPSS and R, is advantageous. They should be self-motivated and able to work as a team member. Applicants with academic background and research experience in related fields would be preferable. Immediate availability is preferred.

For further enquiries about the post, please contact Prof. KONG Siu Cheung at sckong@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **2 February 2023.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
