

Post-doctoral Fellow (Ref: 2300167)
Department of Special Education and Counselling

Project Title:

1. InnoTech for SEN Students
2. Homogeneities among Children with Neurodevelopmental Disorder: A Transdiagnostic Approach

[Appointment Period: 12 months]

The Department of Special Education and Counselling is seeking a qualified and highly dedicated person to provide research support to a project aiming at studying homogeneities among children with neurodevelopmental disorders. He/she will be responsible for preparing and managing the project and relevant research studies, writing reports/journal articles/research proposals, and any other research-related tasks assigned by the supervisor. The project will last for three years, and the initial appointment will be for a period of 12 months with the possibility of renewal subject to mutual agreement.

Applicants should have a Doctoral degree, preferably in developmental/educational psychology, or related disciplines with evidence of scholarship, examples of research outputs and extensive research experience. Priority will be given to candidates with sophisticated knowledge and research training/experience on neurodevelopmental disorder/specific learning disabilities (SpLD), such as dyslexia, dyscalculia, ADHD, ASD, etc., and relevant measures and techniques (such as machine learning in data analysis, and/or EEG/ERP). They should be proficient in both English and Chinese. They should be self-motivated, willing to work in a team, and able to work under tight timeline.

For further enquiries about the post, please contact Dr Liu Duo Phil at duoliu@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 28 February 2023, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
