

Research Assistant I (Ref:2300612)
Centre for Child and Family Science

Project Title: Research Project Supported by Cost Recovery from JC Project RISE

[Appointment Period: 12 months]

The appointee will assist in multiple research projects that support the development, learning, and well-being of children and adults. He/She will learn and be involved in a wide range of research knowledge and skills: study design and protocol development, school recruitment, development of testing materials, administration of interviews and assessments at schools and in the community, data management and analysis, and supervision of student helpers. The appointee will be mentored and coached by team/project leaders from projects related to language, literacy, child development, family relationships, and mental health. The appointment will be for a period of 12 months, with the possibility of renewal subject to mutual agreement.

Applicants should have a bachelor's degree, preferably in Psychology or a related discipline. They should be self-motivated, able to work under pressure, and willing to learn. They should also have good multi-tasking, interpersonal, and communication skills, and the ability to work independently and responsibly as part of a team. Those with knowledge of statistical analysis or experience in conducting research are advantageous.

For more information about the position, please contact Professor Kevin Chung at kevin@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.
