

**Research Assistant I (Two posts) (Ref: 2301073)**  
**Department of Mathematics and Information Technology**

**Project Titles: AI-assisted Immersive Language Learning**

**[Appointment Period: 12 months]**

The appointees will support the project named “AI-assisted Immersive Language Learning”. The project aims to develop a learning system to enable students to enrich and extend their English language learning experiences in authentic settings and design a set of gamified learning activities and resources to support seamless learning. The appointee will be responsible for developing the learning system, including GUI design, coding, and iteratively improve our system, assisting in the coordination and administrative work of the project, writing reports and research papers, and performing any other duties as assigned by the project team. The appointment will be 12 months.

Applicants should have a Bachelor’s Degree in Artificial Intelligence, Data Science or a related discipline with strong interpersonal and communication skills, good command of both written and spoken English, self-motivation, and the ability to work independently, preferably with some experience in 3D design and mobile app development. Immediate availability is preferred.

For further enquiries about the posts, please contact Prof YU Leung Ho Philip at [plhyu@eduhk.hk](mailto:plhyu@eduhk.hk).

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **25 September 2023**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
