

**Senior Research Assistant (Ref: 2301075)**  
**Department of Mathematics and Information Technology**

**Project title: The Cauchy Problem for Isothermal Euler Equations**

**[Appointment Period: 2 months]**

The appointee will be required to provide support to the research project, which includes but is not limited to conducting literature review, assisting in project coordination and administration, supporting data collection and data analysis, drafting papers and reports, as well as performing any other duties assigned by the Project Leader or his delegate(s). The appointment will be for a period of 2 months.

Applicants should have a Master's Degree, preferably doctoral degree in Applied Mathematics, plus one-year post Master's degree full-time working experience. They should have good communication skills with high proficiency in both written and spoken English and Chinese. They should also be good team players, attentive to details, well-organized and self-motivated.

For further enquiries about the post, please contact Dr Yuen Man Wai at [yuenmw@eduhk.hk](mailto:yuenmw@eduhk.hk).

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **27 September 2023**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
