

Post-doctoral Fellow (Two Post) (Ref: 2301077)
Department of Early Childhood Education

Project Title: KeySteps@JC Phase Two

[Appointment Period: 24 months]

Leveraging the successful experience and invaluable learnings in phase one, KeySteps@JC 2.0 has been launched in August 2022 with a mission to enhance children's well-being by establishing community-based children's centres and running kindergarten-based interventions for underprivileged families. The Education University of Hong Kong has joined this multi-party and multidisciplinary project in phase two, and will be endeavoring to children's access to quality educational experiences. This phase will be five years (2022-2027) targeting to cover 70,000 children aged from 3 to 6 and their families in 5 selected districts.

Applicants should possess a doctoral degree in Education, Early Childhood, Social Science, Psychology, or a related discipline. They should have excellent English communication skills (both verbal and written), experience in running applied or translational projects, and be able to work independently as well as in a multidisciplinary team. Cantonese speaking skills and one to two years of work experience will be highly desirable. The appointee will help develop professional development programmes for kindergarten teachers, engage in school recruitment and retention, and assist in school assessment. They will also assist in data analysis, report writing, and dissemination.
