

Senior Research Assistant (Part-time) (Ref: 2400139)
Department of Psychology

Project Title: Research and Statistics Consultancy Services for Psychology Students

[Appointment Period: 3 months]

The appointee will provide research and statistical consultancy services to psychology students. He/she will also be required to carry out the administrative and logistical support (e.g., managing the enrolment system and conducting the evaluation survey) to the service. The appointee will be required to work on Saturdays and weekdays. The appointment will be for a period of 3 months between May and July 2024.

Applicants should have a Master's degree in Statistics or a relevant discipline in Social Sciences plus one year post Master's degree full-time working experience, preferably teaching experience in applied statistical analytics and forecasting modeling or a Doctorate degree in the above mentioned disciplines. They should have strong experience using statistical software, such as SPSS, R, MPlus, and SAS, and a good command of English and Chinese (preferably including Putonghua).

For further enquiries about the post, please contact Ms Hannah Zhu at msocscp@eduhk.hk.

Salary will be commensurate with qualifications and experience.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **6 March 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
