

Research Assistant I (Ref: 2400148)
Department of Education Policy and Leadership

Project Title: Can Distributed Leadership Help Teachers Better Teach Students in Multicultural Classrooms? A Cross-National Analysis

[Appointment Period: 5 months]

The appointee will provide research and administrative support the Principal Investigator (PI) on a research project. The appointee will be responsible for conducting literature reviews, assisting with quantitative data cleaning and analysis, and drafting research reports, while also performing additional tasks as assigned by the PI.

Applicants should have a Bachelor's degree, preferably in educational studies and with strong oral and written English communication skills. Preference will be given to applicants with a Master degree in educational studies and/or expertise in statistical analysis.

For further enquiries about the post, please contact Dr Choi Soobin at schoi@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **8 March 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
