

**Post-doctoral Fellow / Senior Research Assistant (Ref: 2400233)
Centre for Learning, Teaching and Technology**

Project Title: Enhancing International Partnership on Artificial Intelligence Research and Education Alliance

The appointee will be responsible for providing research and coordination support for a large-scale artificial intelligence (AI) research and education alliance project. Duties include conducting literature review on AI in education, developing and validating research instruments; conducting quantitative and qualitative data analysis; writing academic papers and reports on AI in education; assisting in organising AI competition, as well as performing other duties assigned by the project Director, Executive Co-Director and Associate Directors. The appointment will be for a period of around 15 months.

For the post of Post-doctoral Fellow, applicants should have a Doctoral Degree in Psychology, Education, Artificial Intelligence and/or related disciplines, with strong statistical analysis ability.

For the post of Senior Research Assistant, applicants should have a Master's Degree, plus one-year post Master's degree full-time working experience, or a Doctoral Degree.

Applicants should have an excellent command of written English and Chinese, proficiency in spoken Cantonese, high capability of conducting statistical analysis, and writing academic papers and reports independently. A sound background in statistics and experience in using statistical packages such as SPSS and R, is advantageous. They should be self-motivated and able to work as a team member. Applicants with academic background and research experience in related fields would be preferable. Immediately available is preferred.

For further enquiries about the post, please contact Ms Iris Kam at lskam@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **8 March 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
