

**Post-doctoral Fellow (Ref: 2400374)**  
**Department of Curriculum and Instruction**

**Project Title: Analyzing self-assessment with generative artificial intelligence**  
**[Appointment Period: 7 months]**

The Department of Curriculum and Instruction is seeking a qualified and highly dedicated researcher to provide research support to a project related to AI in educational assessment. This project aims to explore the role of AI in promoting meaningful educational assessment. The appointee will assist in duties such as literature review, data collection and analysis, report and journal drafting, and any other duties as assigned. The initial appointment period will be 7 months.

Applicants should have a Doctoral Degree, preferably in Education, Psychology, or other related disciplines with evidence of scholarship, examples of research outputs and relevant research experience in related disciplines. Applicants should be adept at multi-tasking, working under tight deadlines and be able to work both independently and as a team. They should also have an excellent command of written English, especially in academic writing. Knowledge and experience in research relevant to educational assessment will be an advantage.

For further enquiries about the post, please contact Professor Yan Zi at [zyan@eduhk.hk](mailto:zyan@eduhk.hk).
