

**Educational Development Assistant (holding a functional title of Assistant Educational Development Officer) (Ref: 2400404)
Centre for Learning, Teaching and Technology**

The appointee will be responsible for managing and maintaining IT assets under the Centre. Duties include maintaining internal infrastructure, equipment, and software licenses under the Centre; coordinating regular inspections and performing server administration tasks. The appointee will also be expected to assist in the Centre's workshops/seminars/activities for staff and students; to provide support in the development and production of innovative e-learning materials and websites for the Centre, as well as to perform other duties assigned by the Director, Executive Co-Director and Associate Directors. The appointment will be for a period of 2 years initially, with the possibility of renewal subject to satisfactory performance.

Applicants should possess a recognized Bachelor's degree in Computer Science, Computer Engineering, Multimedia, Educational Technologies and/or related discipline. Fresh graduates are welcome, and experience in server administration, website development, educational technologies and/or digital competence will be an advantage. Applicants should be good in English and Chinese (fluent in Cantonese); have problem-solving skills; be attentive to details; and with good interpersonal and communication skills. They should also be self-motivated and able to work independently or as a good team player.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include the University's Voluntary Contributions to MPF Scheme or a contract-end lump sum payment (totaling up to 10% of the basic salary), leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **29 April 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
