

**Research Assistant I (Half-time) (Ref: 2400687)
Centre for Learning, Teaching and Technology**

Project Title: Developing an AI Chinese Composition Assessment System for Hong Kong Students

[Appointment Period: 18-20 months]

The appointee will participate in a research project focused on Chinese composition assessment. He/she will be responsible for conducting literature reviews, developing digital systems, collecting data, programming, analysing data, and drafting research reports. He/she is also expected to provide administrative support to the research team and perform other duties assigned by the Principal Investigator or his delegate(s). There will be opportunities for manuscript writing and publications in international journals. The appointment will be for a period of around 18-20 months.

Applicants should have a Bachelor's degree or above in Computer Sciences / IT or related fields. They should have preliminary experience in conducting research on data analysis and digital systems and have good communication skills in both written and spoken English and Chinese.

For further enquiries about the post, please contact Dr So Chi Fuk Henry at hcfso@eduhk.hk.

Salary will be commensurate with qualifications and experience.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 27 June 2024, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
