

Research Assistant I (Ref: 2500076)
Department of Science and Environmental Studies

Project Title: Investigation of the Homo- and Hetero-aggregation of Nanoplastics Driven by Rhizosphere Components and Implications for Rice Uptake
[Appointment Period: 12 months]

The appointee will assist the project investigator in rice and nanoplastics related research. The primary duties include reviewing the literature, conducting both lab and fieldwork, and performing extensive data analysis and scientific writing for publication. They will also be responsible for drafting reports and proposals for submission and performing any other duties as assigned. The appointment will be for around 12 months, with the possibility of renewal subject to mutual agreement.

The position of Research Assistant requires a Bachelor's degree. Preference will be given to candidates with good knowledge of agriculture and environmental pollution related research, rich experience in fieldwork, and the ability to work independently with minimal direct supervision. They should also be a good team player, attentive to details, highly self-motivated, and able to work under pressure. Immediate availability is preferred.

For further enquiries about the post, please contact Dr LI at waichin@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 4 February 2025, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
