

Post-doctoral Fellow (Ref: 2500523)
Academy for Educational Development and Innovation

[Appointment Period: 24 months]

We are seeking a highly motivated and skilled Postdoctoral Fellow to support our expanding master's program in Leadership in Education. The successful candidate will play a dual role in both teaching and conducting advanced research. Additionally, this role involves promoting the master's program in various forums and platforms to enhance its visibility and attract top-tier students.

Responsibilities:

- Conduct cutting-edge research
- Assist in the teaching of master's level courses, including curriculum development and assessment.
- Engage in the supervision of master's students' research projects.
- Represent and promote the master's program at academic and industry conferences, seminars, and other promotional events.
- Collaborate with faculty and other researchers to develop proposals for securing research funding.
- Publish research findings in peer-reviewed journals and present at international conferences.

Qualifications:

- PhD in related field with a strong publication record.
- Proven experience in teaching at the university level.
- Excellent communication and organizational skills.
- Ability to work independently as well as part of a team.
- Capacity in performing EEG or MEG or MRI/fMRI, or social network analysis.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.
