

Knowledge Transfer Officer (Ref: 2500574)

Research and Development Office (Knowledge Transfer Sub-Office)

The appointee will be responsible for providing support to the Knowledge Transfer Sub-office's business networking and promotion initiatives. Main duties include:

- (a) Proposing demonstrations of the University's innovations for exhibitions and promotional events;
- (b) Organising industry network activities for ecosystem building;
- (c) Assisting in business development;
- (d) Conducting presentations of the University's innovation;
- (e) Providing insight to researchers on technology commercialisation and innovation trends;
- (f) Performing other duties as assigned by the supervisor/Director of Knowledge Transfer.

The appointee needs to work off-campus at times and be flexible in working hours. The appointment will be for a period of two years, with the possibility of renewal subject to mutual agreement. Working outside Hong Kong may be occasionally required.

Applicants should have a Bachelor's degree, preferably in Marketing, Business, Technology or related disciplines, with several years of post-qualification working experience. They should be creative, communicative, and with good project management skills. Applicants with experience in event management, product marketing or business development are preferred. Sound knowledge of technology transfer would be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include the University's Voluntary Contributions to MPF Scheme or a contract-end lump sum payment (totaling up to 10% of the basic salary), leave, medical and dental benefits. The appointee will hold a substantive rank of Project Officer in the University.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 20 June 2025, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes.
