

**Research Assistant II (Ref: 2500726)**  
**Department of Early Childhood Education**

**Project Title: Integrating Machine Learning, Behavioral Analysis and Multimodal Neuroimaging Techniques to Investigate the Comorbidity of Specific Learning Disabilities in Hong Kong**  
**[Appointment Period: 12 months]**

The appointee will be responsible for providing support to a diverse project team led by the principal investigator. He/She will receive training and supervision while assisting with: (a) planning and conducting data collection and analysis; (b) carrying out literature reviews; (c) contributing to manuscript writing; (d) preparing materials for reports and presentations; and (e) performing any other duties as assigned. The appointment will be for a period of 1 year, with the possibility of renewal subject to mutual agreement.

Applicants should have at least Level 2 or equivalent or above in five subjects including Chinese Language, English Language, and Mathematics in HKDSE; or Grade E (Level 2) or above in five subjects including Chinese, English (Syllabus B), and Mathematics in HKCEE or equivalent, preferably possess a bachelor's degree in a related discipline. He/she should be highly responsible, well-organized, detail-minded, and able to work effectively both independently and as part of a team. Excellent communication and interpersonal skills, along with proficiency in both spoken and written English and Chinese, are essential. Proficiency in Cantonese is an advantage. Priority will be given to candidates with practical experience working with children in educational or research settings. Familiarity with statistical software is preferred, and knowledge of programming languages for data analysis is highly valued, presenting an opportunity for growth within the project.

**For further enquiries about the post, please contact Prof. Li Hui at [huli@eduhk.hk](mailto:huli@eduhk.hk).**

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **24 July 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
