

Research Assistant II (Ref: 2500954)
Centre for Learning, Teaching and Technology

Project Title: ‘Enhancing International Partnership on Artificial Intelligence Research and Education Alliance’ and ‘Promoting Internationalisation: Strengthening Support to Non-Local Students and Enhancing EdUHK’s Global Image’

[Appointment Period: around 3-6 months]

The appointee will participate in research projects focused on GenAI and LLM-based Agents for education innovation. He/she will be responsible for:

- studying the use of GenAI to enhance teaching & learning effectiveness, e.g., adaptive and personalised learning;
- designing and implementing AI agent prototypes to support context-aware task planning and content generation; and
- performing any other duties as assigned by the Principal Investigator or his delegates.

There will be opportunities for manuscript writing and publications in international journals or conferences.

Applicants should have at least Level 2 or equivalent or above in five subjects including Chinese Language, English Language and Mathematics in HKDSEE; or Grade E (Level 2) or above in five subjects including Chinese, English (Syllabus B) and Mathematics in HKCEE or equivalent. Preference will be given to those with a Bachelor’s Degree or above in Data Science, Computer Science, Information Technology, Artificial Intelligence, Educational Technology, or related disciplines with expertise in data science or artificial intelligence. Hands-on experience in programming and background knowledge in generative artificial intelligence will be an advantage. Applications should have good communication skills in both written and spoken English and Chinese, as well as good interpersonal and communication skills. They should be mature and able to work independently. Preference will be given to those with experience in research and/or project development.

Applicants who have responded to the previous advertisement (Ref: 2500814) for the same position are under consideration and need not re-apply.

For further enquiries about the post, please contact Prof. Guandong Xu at gdxu@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](http://www.eduhk.hk/jobsopp/index.php?glang=en) and upload a full CV on or before **4 September 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
