

Multimedia Developer (Ref: 2500970)
Faculty of Education and Human Development

The appointees should be familiar with cutting-edge educational technology (e.g., online learning tools, VR, metaverse and AI) and support the development of digital learning resources and other multimedia production, including production of AI videos, animations, and websites. He/she will work closely with the team to ensure that creative and innovative elements of learning and teaching are brought into the development of digital learning resources to provide better learning experiences for students. He/she will support the Faculty in maintaining the Innovation Hub on the Faculty website for sharing resources and good practices of learning and teaching, and provide technical and administrative support to Faculty projects, including preparation of reports, meeting notes, etc.

Applicants should have a Bachelor's Degree, preferably with at least one year of hands-on working experiences in e-learning or related areas in tertiary institutions. Those with background in education will be advantageous. They should have high proficiency in English and Chinese; experience in LMS platforms and e-learning authoring tools and technologies; innovative with good artistic sense; good problem-solving, communication, project management, and organisation skills. Immediate availability is preferred. The initial appointment will be for a period of 18 months.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits. The appointee will hold a substantive rank of Project Assistant in the University.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](http://www.eduhk.hk/jobsopp/index.php?glang=en) and upload a full CV on or before **15 September 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
