

Research Assistant I (Ref: 2500925)
Department of Mathematics and Information Technology

Project Title: RAE 2026 Development ICS: AI-assisted Automated Scoring and Feedback System for Language Learning

[Appointment Period: around 4 months]

The appointee will work on a research project on the development of immersive gaming environment to enhance students' learning performance and course engagement. He/She will support the research team in planning, conducting, and coordinating the project activities. The appointee will conduct platform development, and performing any other duties as assigned. The appointment will be for a period of around 4 months.

Applicants should have a Bachelor's Degree in Computer Science, or a related discipline and be interested in gaming development. They should have good command of communication, presentation, and interpersonal skills in both written and spoken English; strong administrative and management skills; coding in Unity; enthusiasm, self-motivation, and the ability to work independently and under pressure.

For further enquiries about the post, please contact Prof. Philip L.H. Yu at plhyu@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **18 September 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
