

Senior Research Assistant / Research Assistant I (Ref: 2501119)
Department of Curriculum and Instruction

Project Title: RGC Senior Research Fellow Scheme project “Bottom-up Assessment Reform: The Student-centred Assessment-driven Learning (SCADL) Platform”
[Appointment Period: 12 months]

The Department of Curriculum and Instruction is seeking qualified and highly dedicated researchers to provide research support to an RGC Senior Research Fellow Scheme project entitled “Bottom-up Assessment Reform: The Student-centred Assessment-driven Learning (SCADL) Platform”. This 5-year project aims to develop an online adaptive learning system for secondary schools. The appointee will assist in duties such as conducting educational research (e.g., literature review, data collection and analysis, report and journal drafting), liaising with participating schools, promoting the projects, and performing any other duties as assigned. The initial appointment period will be 12 months and may be extended upon mutual agreement.

For the post of Senior Research Assistant, applicants should hold a Master's degree in a related discipline, plus at least one year of full-time post-master's work experience, or a doctoral degree.

For the post of Research Assistant I, applicants should possess a Bachelor's or Master's degree in a related discipline.

Applicants must be able to multi-task, work under tight deadlines, and function effectively both independently and as part of a team. Strong communication skills and the ability to learn independently are essential. Proficiency in Cantonese will be an advantage.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **13 November 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
